

OUR LADY OF THE ASSUMPTION

"Living as Missionary Disciples"

OLA School and Child Care Annual Fund

We are pleased to announce that the 2020-2021 OLA School and Child Care Annual Fund drive is currently underway. We have set a goal of \$30,000 for this year that will run until June 30, 2021. A total of \$2,211 has been pledged so far, but we will need your generous support to help meet our goal.

The Annual Fund, established in 2016 to provide support for the financial needs of our School and Child Care programs, has realized a very generous response from parishioners over the past four years. This past year's pledges totaled \$32,472, surpassing our goal of \$30,000. Because of this success, improvements and upgrades included:

1. Assisted with the purchase of 96 new Chromebooks due to increased enrollment and desire to provide a top quality learning experience for our students.
2. Installation of a comprehensive security system throughout our campus.
3. Ongoing technology upgrades, new science and health text books, counseling support and an improved communication system and storage shed for the Child Care Program.
4. We were able to expand the amount of money allocated for tuition assistance for families that demonstrate a need.

More information will be provided in the coming months regarding the Annual Fund's progress. Should you wish to contribute now, your monthly envelope packet contains a specific envelope for our School and Child Care programs. You can also give by visiting the OLA web page, clicking on the "School" tab at the top and choosing "Annual Fund" in the drop down box.

We want to thank all those who supported and contributed to the annual fund in past years. We know that the pandemic will make this coming year challenging, but remain confident that the support of all of you will help us make our goal achievable.

See the back of this letter for a complete listing of our generous donors from this past year.
