- Council Goals-** We have made strides in many of the goals set forth earlier in the year and are looking for the next goals to focus on. Three additional goals are identified: 1) Pictures of the Pastoral Council Members will be taken at the June meeting to be published on the website, 2) Transition team to be formed to help in transitioning new priest in July, 3) Council will connect with staff and invite to upcoming meetings. This will serve to ensure they have adequate volunteers for parish events and to assist in the transition from Fr. Paul to Fr. Mike.
- Council Vacancies-** John Breiten, vice- Chair, will assume responsibilities of Chair as Sarah steps down and until elections can be held in September. Sarah Carter is reevaluating her availability to serve on the council as she resumes advanced degree training. We will look at available meeting times to see if a night other than Tuesday can be agreed upon for all members.
- Commission Reports-**Please forward minutes from each commission to the members of Pastoral council via email as soon as they are available for review prior to monthly meetings.
  - School Commission-** the Spring Fling was a success. Final numbers and goals for next year will be forth coming.
